Legal
- Examples include sparklers, cones, tubes that spark, snakes, party poppers
- Using them in your yard or on your sidewalk

Not legal
- Fireworks that go “boom” or take off
- Examples include firecrackers, bottle rockets, missiles, roman candles, mortars and shells
- It’s illegal to use any fireworks on public property, including roads, alleys, schools and parks.

Call 911 to report illegal fireworks
- Please provide the exact address and a description of the person or people setting off the fireworks.
- Know that 911 is very busy on summer evenings, especially the Fourth of July, and it may take longer to respond to fireworks calls.

For more information, visit www.fire.state.mn.us.
For specific fireworks questions, contact the State Fire Marshal Division at firecode@state.mn.us or (651) 201-7200.
Be a good neighbor

Neighbors shooting off fireworks can be extremely disruptive, especially when homes are close to each other, people are trying to sleep and pets are frightened. Fireworks can also be very dangerous. So be careful this summer and make sure you know what’s legal and what’s not in Minneapolis. Find those details on the other side of this insert.
